The flyer card features a central image of a film strip with a camera lens and a film frame resting on it. The film strip is curved and shows a green, textured scene. A blue, torn-paper-like graphic element is overlaid on the top left, containing the word 'VIPER' in large, red, outlined letters. Below it, the text '25. Internationales Festival für Film und neue Medien Basel' is written in yellow. A large, semi-transparent number '25' is also visible in the background. At the bottom, the title 'Generations on the Move' is in yellow, followed by the dates 'Samstag 1.- 4. Juni 2006' and the location 'Messe Basel' in black. The website 'www.viper.ch' is listed at the bottom left, and the 'Basel+' logo with a red cross is at the bottom right.
